Lighting Case Studies for Campus Sports Venues

Shanxi Linfen Tennis Center (Liberal Arts College) - Badminton

An aerial night-time photograph of a football stadium. The pitch is a vibrant green, illuminated by several tall floodlights positioned around the perimeter. The stands are filled with green seats, and the stadium's roof is visible above. The surrounding area is dark, with some trees and a building visible on the right side.

Sports Center Lighting Case

Qiongzong Women's Football Training Base - Football

Lighting Class: Grade IV (TV Broadcast Standard)

Hosted Events: Annual "Hainan·Qiongzong Cup" National Women's Football Invitational

An aerial night-time photograph of a sports center. The facility is illuminated by various lighting systems. On the left, there are four green football pitches. In the center, there are eight blue tennis courts arranged in two columns of four. To the right of the tennis courts are three basketball courts with blue and red markings. Further right, there is a large, light-colored rectangular court, possibly for badminton or table tennis. The surrounding area is dark, with some trees and a building visible on the right side. The text "Sports Center Lighting Case" is overlaid at the top of the image.

Sports Center Lighting Case
